

## SCHEDULE FOR MEDICAL DIRECTION - BLOCK FOR III YEAR 2018/2019

### GROUP 1 (22.01 - 28.01 and 18.02 - 25.02)

#### III WEEK Room 231

|           |       |               |                                                                                                                                                                                                                                                                                                                                                                                                                          |
|-----------|-------|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| TUESDAY   | 22.01 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 Pathology of the Urinary tract, <i>Natalia Skoczylas-Mskowska, MD</i><br>9:45 - 12:00 <b>EXERCISES</b> , <b>teachers:</b> <i>Marek Zdrenka, MD, Natalia Skoczylas-Mskowska, MD</i><br>group a - laboratory<br>group b - laboratory / <i>Anna Klimaszewska-Wiśniewska, MD, PhD</i><br>group c - microscopy<br>group d - laboratory 1 / <i>Magdalena Bodnar, MD, PhD</i>                     |
| WEDNESDAY | 23.01 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 Pathology of the Liver and pancreas, <i>Łukasz Szyłberg, MD, PhD</i><br>9:45 - 12:00 <b>EXERCISES</b> , <b>teachers:</b> <i>Marek Zdrenka, MD, Natalia Skoczylas-Mskowska, MD, Łukasz Szyłberg, MD, PhD</i><br>group a - laboratory 1 / <i>Magdalena Bodnar, MD, PhD</i><br>group b - laboratory<br>group c - autopsy<br>group d - microscopy                                              |
| THURSDAY  | 24.01 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 Pathology of the Breast and skin, <i>Izabela Neska-Długosz, MD</i><br>9:45- 12:00 - <b>EXERCISES</b> , <b>teachers:</b> <i>Anna Skórczewska, MD, Jakub Jóźwicki, MD</i><br>group a - laboratory / <i>Anna Klimaszewska-Wiśniewska, MD, PhD</i><br>group b - laboratory 1 / <i>Magdalena Bodnar, MD, PhD</i><br>group c - laboratory<br>group d - autopsy                                   |
| FRIDAY    | 25.01 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 Pathology of the Endocrine System, <i>Łukasz Szyłberg, MD, PhD</i><br>9:45 - 12:00 - <b>EXERCISES</b> , <b>teachers:</b> <i>Anna Skórczewska, MD, Jakub Jóźwicki, MD</i><br>group a - autopsy<br>group b - laboratory 2 / <i>Magdalena Bodnar, MD, PhD</i><br>group c - laboratory / <i>Anna Klimaszewska-Wiśniewska, MD, PhD</i><br>group d - laboratory                                  |
| MONDAY    | 28.01 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 Pathology of the Female reproductive system part I, <i>Natalia Skoczylas-Makowska, MD</i><br>9:45 - 12:00 - <b>EXERCISES</b> , <b>teachers:</b> <i>Natalia Skoczylas-Makowska, MD, Jakub Jóźwicki, MD</i><br>group a - microscopy<br>group b - autopsy<br>group c - laboratory 1 / <i>Magdalena Bodnar, MD, PhD</i><br>group d - laboratory / <i>Anna Klimaszewska-Wiśniewska, MD, PhD</i> |

| IV WEEK Room 231 |               |                                                                                                                                                                                                                                                                                                                                                                                                               |
|------------------|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MONDAY 18.02     | Entrance test | <b>SEMINARIUM</b> 12:15 - 13:45 Pathology of the Central nervous system, <i>Natalia Skoczylas-Makowska , MD</i><br>14:00- 16:15 - <b>EXERCISES</b> , <b>teachers:</b> <i>Natalia Skoczylas-Makowska, MD, Jakub Jóźwicki, MD</i><br>group a - laboratory 2 / <i>Magdalena Bodnar, MD, PhD</i><br>group b - microscopy<br>group c - microscopy<br>group d - laboratory 2/ <i>Magdalena Bodnar, MD, PhD</i>      |
| WEDNESDAY 20.02  | Entrance test | <b>SEMINARIUM</b> 14:45 - 16:15 Pathology of the Gastrointestinal tract - <i>Łukasz Szyłberg MD, PhD</i><br>12:15- 14:30 - <b>EXERCISES</b> , <b>teachers:</b> <i>Łukasz Szyłberg MD, PhD, Jakub Jóźwicki, MD, Izabela Neska-Długosz, MD</i><br>group a - microscopy<br>group b - microscopy<br>group c - laboratory 2 / <i>Magdalena Bodnar, MD, PhD</i><br>group d - microscopy                             |
| THURSDAY 21.02   | Entrance test | <b>SEMINARIUM</b> 12:15 - 13:45 Pathology of the male genital system, <i>Jakub Jóźwicki, MD</i><br>14:00- 16:15- <b>EXERCISES</b> , <b>teachers:</b> <i>Łukasz Szyłberg, MD, PhD, Natalia Skoczylas-Makowska MD</i><br>group a - laboratory 3 / <i>Magdalena Bodnar, MD, PhD</i><br>group b -laboratory 3 / <i>Magdalena Bodnar, MD, PhD</i><br>group c - microscopy<br>group d - microscopy                  |
| FRIDAY 22.02     | Entrance test | <b>SEMINARIUM</b> 12:15 - 13:45 Pathology of the Female reproductive system part II, <i>Jakub Jóźwicki, MD</i><br>14:00- 16:15 - <b>EXERCISES</b> , <b>teachers:</b> <i>Łukasz Szyłberg, MD, PhD, MD, Izabela Neska-Długosz, MD</i><br>group a - microscopy<br>group b - microscopy<br>group c - laboratory 3 / <i>Magdalena Bodnar, MD, PhD</i><br>group d - laboratory 3 / <i>Magdalena Bodnar, MD, PhD</i> |
| MONDAY 25.02     | TEST 2        |                                                                                                                                                                                                                                                                                                                                                                                                               |

## SCHEDULE FOR MEDICAL DIRECTION - BLOCK FOR III YEAR 2018/2019

### GROUP 2 (12.03 - 25.03)

#### III WEEK Room 231

|           |       |               |                                                                                                                                                                                                                                                                                                                                                                                              |
|-----------|-------|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| TUESDAY   | 12.03 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 <i>Pathology of the male genital system, Jakub Jóźwicki, MD</i><br>9:45 - 12:00 <b>EXERCISES</b> , teachers: Marek Zdrenka, MD, Jakub Jóźwicki, MD, Izabela Neska-Długosz, MD<br>group a - laboratory / Anna Klimaszewska-Wiśniewska, MD, PhD<br>group b - laboratory<br>group c - autopsy<br>group d - microscopy                                             |
| WEDNESDAY | 13.03 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 <i>Pathology of the Liver and pancreas, Łukasz Szylberg, MD, PhD</i><br>9:45 - 12:00 <b>EXERCISES</b> , teachers: Łukasz Szylberg, MD, PhD, Jakub Jóźwicki, MD, Izabela Neska-Długosz, MD<br>group a - laboratory<br>group b - microscopy<br>group c - laboratory / Anna Klimaszewska-Wiśniewska, MD, PhD<br>group d - autopsy                                 |
| THURSDAY  | 14.03 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 <i>Pathology of the Endocrine System, Łukasz Szylberg, MD, PhD</i><br>9:45 - 12:00 - <b>EXERCISES</b> , teachers: Marek Zdrenka, MD, Izabela Neska-Długosz, MD<br>group a - laboratory<br>group b - laboratory / Anna Klimaszewska-Wiśniewska, MD, PhD<br>group c - laboratory<br>group d - laboratory 1 / Magdalena Bodnar, MD, PhD                           |
| FRIDAY    | 15.03 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 <i>Pathology of the Female reproductive system part II, Jakub Jóźwicki, MD</i><br>9:45 - 12:00 - <b>EXERCISES</b> , teachers: Jakub Jóźwicki, MD, Marek Zdrenka, MD<br>group a - autopsy<br>group b - autopsy<br>group c - microscopy<br>group d - microscopy                                                                                                  |
| MONDAY    | 18.03 | Entrance test | <b>SEMINARIUM</b> 8:00 - 9:30 <i>Pathology of the Female reproductive system part I, Natalia Skoczylas-Makowska, MD</i><br>9:45 - 12:00 - <b>EXERCISES</b> , teachers: Natalia Skoczylas-Makowska, MD, Izabela Neska-Długosz, MD<br>group a - laboratory 1 / Magdalena Bodnar, MD, PhD<br>group b - microscopy<br>group c - laboratory 1 / Magdalena Bodnar, MD, PhD<br>group d - microscopy |

| IV WEEK Room 231 |       |                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|------------------|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| TUESDAY          | 19.03 | <b>Entrance test</b><br><b>SEMINARIUM</b> 12:15 - 13:45 Pathology of the Central nervous system, <i>Natalia Skoczylas-Makowska , MD</i><br>14:00- 16:15 - <b>EXERCISES, teachers:</b> <i>Natalia Skoczylas-Makowska, MD, Adam Kowalewski, MD</i><br>group a - microscopy<br>group b - laboratory 1 / <i>Magdalena Bodnar, MD, PhD</i><br>group c - microscopy<br>group d - <i>laboratory / Anna Klimaszewska-Wiśniewska, MD, PhD</i> |
| WEDNESDAY        | 20.03 | <b>Entrance test</b><br><b>SEMINARIUM</b> 12:15 - 13:45 Pathology of the Gastrointestinal tract - <i>Łukasz Szyłberg MD, PhD</i><br>14:00- 16:15 - <b>EXERCISES, teachers:</b> <i>Łukasz Szyłberg MD, PhD, Adam Kowalewski, MD</i><br>group a - laboratory 2 / <i>Magdalena Bodnar, MD, PhD</i><br>group b - microscopy<br>group c - microscopy<br>group d - microscopy                                                              |
| THURSDAY         | 21.03 | <b>Entrance test</b><br><b>SEMINARIUM</b> 12:15 - 13:45 Pathology of the Urinary tract, <i>Natalia Skoczylas-Mskowska, MD</i><br>14:00- 16:15- <b>EXERCISES, teachers:</b> <i>Łukasz Szyłberg, MD, PhD, Natalia Skoczylas-Makowska MD</i><br>group a - microscopy<br>group b -laboratory 2 / <i>Magdalena Bodnar, MD, PhD</i><br>group c - laboratory 2 / <i>Magdalena Bodnar, MD, PhD</i><br>group d - microscopy                   |
| FRIDAY           | 22.03 | <b>Entrance test</b><br><b>SEMINARIUM</b> 12:15 - 13:45 Pathology of the Breast and skin, <i>Izabela Neska-Długosz, MD</i><br>14:00- 16:15 - <b>EXERCISES, teachers:</b> <i>Izabela Neska-Długosz, MD , Natalia Skoczylas-Makowska MD, Adam Kowalewski, MD</i><br>group a - microscopy<br>group b - microscopy<br>group c - microscopy<br>group d - laboratory 2 / <i>Magdalena Bodnar, MD, PhD</i>                                  |
| MONDAY           | 25.03 | <b>TEST 2</b>                                                                                                                                                                                                                                                                                                                                                                                                                        |
